

Phoenix, AZ Office Opening Announcement

Phoenix, AZ. August 12, 2015. New Jersey-based DIVERSANT, the largest African-American owned IT staffing firm in the U.S., has opened an office branch to service the Phoenix, AZ market, bringing their total office locations to nine nationwide.

DIVERSANT's Phoenix branch is positioned to deliver IT staffing services, innovative diversity programs, and a superior level of customer service to local clients and IT consultants. In addition to IT staffing, DIVERSANT also offers innovative programs to create opportunities for U.S. Veterans to build IT careers and a mentoring program to support minority owned business enterprises.

"Having an office in the Phoenix market enables DIVERSANT to continue providing IT staffing services and focused support to current local clients, said Gene Waddy, chief executive officer, DIVERSANT. The new office represents our commitment to meet needs of our clients and to create domestic job opportunities in the local community."

DIVERSANT was recently recognized at one of the Top 100 Privately Held Companies in New Jersey. To find out about career opportunities with DIVERSANT, please visit www.diversant.com/diversant_careers.
