Mitchell Martin, Inc. (MMI), a privately held New York based staffing company, has acquired the operating assets\* of Therapists on Demand, Inc. a health care staffing and permanent placement firm located in Philadelphia. Therapists on Demand (TOD) specializes in the placement of physical therapists, occupational therapists and speech language pathologists in clinical settings. TOD services clients in Philadelphia and the surrounding suburban areas and the Chicago market. In all TOD services clients in 4 states.
