

Intelliswift Acquires 34-Year-Old California IT Staffing Company, P. Murphy & Associates, Inc.

Fremont – CA, August 2015

Intelliswift Software, Inc., a leading software solutions and staffing company, headquartered in Northern California, announced that it has acquired Burbank-based P. Murphy & Associates, Inc., a premier IT staffing and recruiting organization, operating for over three decades in Southern California.

This strategic acquisition will support Intelliswift's increase in market share and expand the company's diverse portfolio of clients.

"We are optimistic and keen to be a part of the Intelliswift team. This partnership will increase opportunities and level of service while providing skillful talent to our clients. Our years of staffing experience and Intelliswift's broad range of robust and scalable infrastructure will provide exponential growth within our diverse industry verticals," said Phyliss Murphy, President and CEO of P. Murphy & Associates, Inc.

"The Intelliswift-P. Murphy collaboration is an excellent strategic fit, and we are looking forward to this partnership to strengthen our presence in Southern California. The coming together of these two businesses will develop a competitive advantage and will create an efficient team of professionals having the expertise to streamline business operations while utilizing our superior delivery platform for customer satisfaction." said Pat Patel, CEO of Intelliswift.
